A History of **INNER WHEEL DISTRICT 323**

INNER WHEEL DISTRICT 323

DISTRICT EXECUTIVE COMMITTEE 2020-21

MESSAGE

Dear friends,

My warm greetings and wishes to you all.

We all have reached the end of the year. Let us finish the year with smiling faces. As a District Chairman, I enjoyed working with the Presidents – my Hope Angels, colleagues in the District Executive Committee and all Past District Chairmen. Though it was a pandemic year, we tried our best and we have done a great job. Enjoying with each other is the simplest form of happiness that humans can have.

When I was a District Secretary, I brought out Anmol, the 30 years history of our District 323 under the guidance of the then Chairman PDC Seema Bhargava. The way our District worked impressed me very much which gave me an urge to bring Anmol.

Everybody referred the book as it gave a lot of details about our District. That motivated me very much. So, now, as a District Chairman, I have brought **ANMOL 2** after upgrading and making necessary corrections in the book.

ANMOL 2 is my dream and passion, where I have given the 35 years history of our District 323. It gives me a sense of satisfaction to have brought this book. I am excited to bring the achievements of the bygone years of our District through this book. **I hope you will cherish Anmol-2 also.**

FOREWORD

I am honoured and delighted to introduce **ANMOL 2** to you dear reader. The first edition was brought out in 2016 by then District Secretary Usha Saraogi when I was Chairman when District 323 completed 30 years. It is just so apt that now in the 35th year of this amazingly advanced District, Chairman Usha Saraogi has brought out an updated version **ANMOL 2**.

The book celebrates the achievements of the District of the last 35 years as well as chronicles each year as it unfolded. The District is proud of its lineage of Past District Chairmen who have led selflessly to create a disciplined, cohesive and strong District 323. As you turn the pages you will see how many members of IWD 323 have made their mark in the National as well as International arena of Inner Wheel.

District Chairman Usha is known for her compassionate heart. Her sense of commitment to District equals her desire to serve. **ANMOL 2** is a result of her pursuit of excellence – to update history of the District. this gift.

Thank you Chairman Usha for this precious gift and the nostalgic happiness associated with it.

ANMOL 2 is truly priceless. Treasure it as will !!

A SPECIAL THANKS

Saying thanks is one of the simple, yet a powerful thing that we can do for each other. I want to say thanks to all but a few individuals would always remain in my heart, who have listened to me without judgment, helped me without entitlement and understood me without pretension.

Mr. Vinod Saraogi, Managing Director of Meridian Global Ventures for being our main sponsor.

All **Past District Chairmen** for reviewing and updating their pages with the required information.

A special thanks to **PDC Seema Bhargava** who has given a beautiful foreword to this book, Anmol 2 and also for checking and giving corrections wherever necessary. She has always been my guide and support and my gratitude will follow her forever.

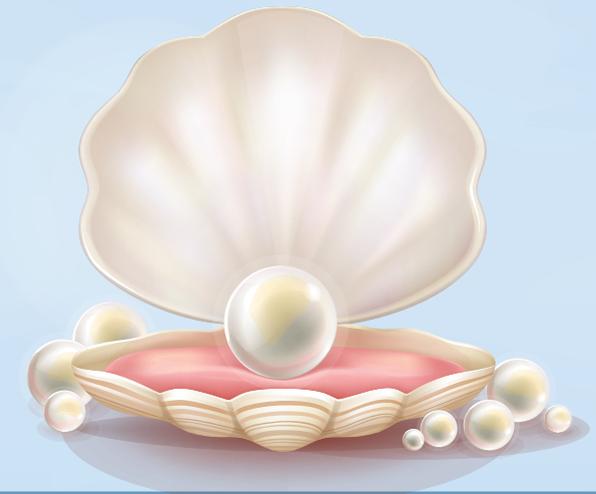

A special thanks to **PDC Shanthi Gopal** and **PDC Sita Laxminarayana** for meticulously preserving and presenting the history of IWD 323 and for sharing their thorough knowledge in Anmol part 1.

My sincere thanks to **PDC Shama Prasana**, **PDC Padma Preetha Sumanth**, **PDC Kala Rajasekhar** and **AC Member Nallini Olivannan** for providing their detailed information for their pages.

My special thanks to **Neha Garodia** for designing and compiling the book and thanks to **Karthiga** for assisting Neha in this project. Thanks to **Multi crafts Printers** for beautifully printing this book.

Though I have thanked everyone, who has been there in this venture, I would like to thank those, whom I might have missed unknowingly. Thank you all for your wishes, blessings, kindness, trust and motivation. I am forever grateful and enthralled by the support extended by you all.

Yours friendly in Inner Wheel

MESSAGES FROM THE LUMINARIES

PIIWP KAMALA RAMAKRISHNAN

Dear Usha ,

I am very happy to hear that you are updating the history of our district by bringing out Anmol 2.

Your Anmol 1 that you brought out 5 years back was a very useful look at the history of our district and this new book would give the updates of the next 5 years. It is absolutely essential that we keep updating our history so that it always remains relevant and a go to source of information in future years . I hope the good work that you started will continue and Anmol updated every 5 years by the District.

Wishing the venture all success.

PIIWP AZHAGU ANNAMALAI
