About the South Zone Meet

Chennai formerly Madras, is the charming capital city of Tamil Nadu, the Southern Indian state. Set on the Coromandel Coast, along the Bay of Bengal, Chennai has much to offer. From scenic beaches, historical attractions, colourful temples, vibrant culture, delightful food, shopping and other delights, the Gateway of South is among the must-visit places in India. The fourth-largest metropolis of the country, the city port is ranked among the busiest in India. The best thing about Chennai is that it brings together, the old and the new creating a unique mix which is heart-warming.

As the Capital of the Dravidian South, Chennai is understandably proud of its Tamil Culture, from the curving letter of Tamil script on shop signs, to energetic performances of Carnatic music and dance, and the riotous films produced in Kollywood – the southern Chennai suburb that is home to India's second largest film Industry.

The Tamil influence is also obvious in the city's famously spicy cuisine, with fiery vegetarian curries flavoured with coconut, tamarind and chilli – traditionally served on banana leaf plates. Other mouth watering dishes include the dosa, idli, uthappam, and the spicy chicken, lamb, and seafood curries produced by the Chettiar community. The filter coffee can literally be called an emotion for Chennaiites and forms an integral part of the cuisine.

In addition to local tourist attractions which include the Marina and Besant Nagar Beach, Fort St. George, San Thome Cathedral, Egmore Museum and Kapaleeswarar Temple to name a few, from Chennai there are a number of interesting places to get away such as Mahabalipuram (57km-1.5 hours) and Pondicherry (154 km approx.-3 hours).

Confetti the South Zone Meet has aptly been named “Malligai” to suit the ethos of the Chennai Culture and traditions and is hosted by District 323. “Malligai” meaning “jasmine flower”, adorns every South Indian woman's hair on special occasions and is also offered as garlands to deities in temples. “Malligai” is a culmination of the culture and traditions of the South laced with friendship and bonding. IWD 323 is glad to host the South Zone meet and warmly welcomes delegates from Districts 298, 316, 318, 319, 320, 321 and 323 to come and enjoy two fun filled days at ITC Grand Chola, Guindy, on the 30th and 31st of October, 2021!

My Dear Inner Wheel Friends,

With great pleasure, I invite you all to the South Zone Meet

“CONFETTI – The box of Love & Affection, Service & Satisfaction”

Escape from the tiresome routine and unwind yourself at Confetti in Chennai, the Gateway to Southern India also renowned for Bharatanatyam - the oldest classical dance form.

I am so excited to meet you all once again in person for this two-day event of fellowship, fun, and growth!

The occasion will be an opportunity for lots of learning, sharing ideas on projects, service activities, promotion of the 16th Triennial Conference ENVISION 2K22 at Varanasi and entertainment. All that is expected from you is your valuable time and participation to make this meet a memorable event.

“Amazing things happen when women help other women.” -Kasia Gospos

It is a universally acknowledged truth that women are excellent team players and collaborators. Women also make effective leadership - especially when combined with assertiveness, charm and emotional intelligence. The team of District 323 under the Superb Leadership of District Chairman Kamala Selvam, Convener PIWP Kamala Ramakrishnan are working tirelessly day and night to make this event a memorable one.

“Productivity is never an accident. It is always the result of a commitment to excellence, intelligent planning, and focused effort.” It's your time to set new definitions of Friendship and Service.

Calling all the Districts of South Zone (298, 316, 318, 319, 320 & 321,) to come together and show your energy and enthusiasm to make YOUR zonal meet a big success. It is going to be a meaningful and rewarding experience to all the attendees.

Your support and presence will make this event a SUPERHIT.

Looking forward to personally interacting with each one of you.!!

Nothing remains forever, except the memories and moments you create to cherish for a lifetime.

Love Saroj

Dear Inner Wheel friends,

It is a special honour for District 323 to host “Confetti” the South Zone Meet this year and I thank our Association President Saroj Katiyar for reposing trust in our District to do a good job of it.

We in District 323 are looking forward to receiving all of you, attending the South Zone Meet on 30th and 31st of October, in beautiful Chennai - the gateway to the south India.

It would be a special pleasure to welcome our Association President Saroj Katiyar and the Association Executive team for the Meet.

While planning for such a Meet is never an easy job, the clouds of a third wave of covid 19 hanging over all planning makes it even tougher. But we have all missed meeting each other over the past year and more and I do hope the wave will never hit us and we will all be able to enjoy each other's company in a great spirit of gratitude and camaraderie.

DC Kamala Selvam is planning a lot for the success of the Zonal Meet and I can promise all of you who participate in it a great experience. We will also be taking all measures to follow all Covid related SOPs so you can relax as you attend the Meet.

Looking forward to saying a big Hi to you all physically!!

Kamala Ramakrishnan
